Book File Details:

Review: Felix Lance Falkons historic collection of Gay Art was the first and only one of its kind when it was first published in 1972. Happily, Falkon is still around to revise and republish his long-lost classic. In this he is ably assisted by art historian Thomas Waugh, who provides invaluable commentary. Thanks to Waugh, we learn the names of some of...

Description: When originally published by Greenleaf Editions in 1972, A Historic Collection of Gay Art was the first book of its kind to document expressions of gay male sexuality as depicted in visual art, from antiquity to pop culture. Its frank and unapologetic survey of the pleasures of the flesh was, for gay men, unprecedented, and it remains the starting-point...
